EDUCATION

Matrusri Engineering College, Hyderabad B.Tech in Computer Science and Engineering CGPA: 8.05	2023 – Present
TS State Board of Intermediate Education Senior Secondary (Intermediate) Percentage: 89%	2023
Central Board of Secondary Education Secondary School Percentage: 71%	2021

TECHNICAL SKILLS

Programming: Python, Java, C++
ML/DL: PyTorch, TensorFlow, pandas, NumPy, scikit-learn
Databases: MySQL, MongoDB

PROJECTS

Intelligent Educational QA System Tech: Python, NLP, Knowledge Graphs, scikit-learn, NLTK, spaCy, MySQL - Designed NLP pipeline with preprocessing, tokenization, and TF-IDF vectorization - Applied cosine similarity for semantic search and answer retrieval - Integrated knowledge graph to enhance contextual understanding - Improved answer relevance by 35% through feature engineering	2026
Student Performance Prediction Tech: Python, scikit-learn, pandas, NumPy, matplotlib - Performed data preprocessing and exploratory data analysis - Conducted feature engineering and correlation analysis - Implemented ML models for prediction and evaluation - Improved prediction accuracy by 25% through optimization - Visualized insights to identify key performance factors	2025

EXPERIENCE

VISWAM.AI — AI Intern Mentors: Meta, Swecha Telangana, IIIT Hyderabad	Jun 2025 – Jul 2025
--	---------------------

- Completed intensive AI internship focused on real-world applications
- Developed ML-based solutions addressing Global South challenges
- Gained hands-on experience in model development and evaluation

COURSEWORK

CS: Data Structures and Algorithms, Operating Systems

Math: Linear Algebra, Probability, Statistics, Discrete Math, Calculus

Databases: MongoDB, SQL

CERTIFICATIONS

- Machine Learning Specialization – Andrew Ng

ACTIVITIES

- Exploring open-source contributions and collaborative development
